Football

The 1980 Billerica Football squad, picked to be a non-contender in the pre-season, gave the Indian football fans an exciting season. One that they will long remember. With a 6-3-1 record and finishing second in the West Merrimack Conference, the Indians had the best season that the graduating seniors have seen.

The team was made up of what all great teams are made of: classy seniors, contributing juniors and sophomores, and a superior coaching staff. There were no superstars or one-manned efforts but a family of football players playing with spirit and heart.

After losing a close game to Lowell High, Co-Captains Brian Cassidy and John Harlow led their team in an undefeated streak of six games. The undefeated streak was ended in a loss to Methuen after which the Indians proceeded to beat the Greater Lawrence squad. That left the seniors with one last game.

The Chelmsford Thanksgiving Day Game showed how much courage pride and spirit the Billerica Green and White had. Behind three touchdowns, the Indians made a valiant attempt to come back, only for it to end in a heartbreaking defeat, 22-12.

The football team would like to thank Coach Clyde Meyerhofer and his entire coaching staff for a memorable season. They would also like to thank the fans who supported them throughout the year. Finally, the seniors would like to wish next year's team luck in continuing the new winning football era at Billerica High.

Girls' Swimming

The 1980 Indian Natators swam to an exceptional 9-1 dual meet season, while capturing the North Conference Championship of the Eastern Mass. Girls Interscholastic Swimming League. An outstanding 100-72 win over Medford in the first meet was a preview of the good fortune to follow for the remainder of the season and also gave Coach Jack Stephenson's young team some confidence to face a fiercely competitive league schedule. Haverhill, with an 18 meet win streak over a 2 1/2 year period, was the next obstacle for the Indians. A strong team effort was needed to defeat the defending league champs and the team came through with a 91-80 victory that solidified the hopes for a winning year.

The season progressed with wins over Chelmsford and Arlington before suffering the lone loss, 87-85, at the hand of Methuen. Dreams of the undefeated season being broken didn't deter the team from gaining the league championship as they successfully recorded wins over Malden, Gr. Lawrence Andover, Bedford, and Shawsheen.

Much of the success this season was due to the fine efforts of the Senior Capt., not only in their swimming, but through their leadership and motivation as well. Sue Hill was outstanding in the breast stroke, losing only 1 race in dual meet comp., while qualifying for the State Championship. Also qualifying for this prestigious meet was Maryann Harrington in the 50 yd. freestyle.

Members of the Medley Relay team also experienced individual success as Maryann Harrington in the back stroke, Lisa Farmer in the butterfly and Cindy Quinton in the freestyle all turned in fine performances. Seniors on the team are Stina Christenson-butterfly; Karen Lee-diving, back stroke; and Kathy Elden-medley relay and back stroke.

Among the contributions of the underclassmen were: Brenda Christensen-200 & 500 freestyle and freestyle relay; Linda Christensen-indiv. medley, back stroke & freestyle rel. Julie Farmer-freestyle, butterfly & freestyle relay; Monica Hubert-diving, qualifying for the State meet in diving; Linda Frisoli-diving; Sharon Ferris-distance freestyle; Michelle DiBiasio-indiv. medley, breast stroke; Karina Davis-freestyle; Donna Leng-breast stroke; Sue Canfield-200 freestyle; and Kathie Conant-200 & 500 freestyle.

Prospects are bright for the upcoming season due to the great number of returning underclassmen and the team is looking forward to another successful season next year.

Girls' Volleyball Team

The Girls' Volleyball Team started off slowly but consistently improved as the season progressed. With an 11-5 league record, the team joined Tewksbury and Methuen for the second place slot. Their 64.7% overall record allowed them to progress to the North Division State Tournament at Waltham. However, a playoff was necessitated between Methuen and Billerica for tenth seed. Tewksbury drew a bye.

Soccer

For the seniors, the 1980 edition of the B.M.H.S. Soccer team had finally arrived. Beginning with a fantastic freshman year (13-1-2) where we watched the 1977 MVC Champions advance to the EMASS finals before losing to Needham 2-0. We seniors made a vow to either match the '77 team or outdo them in our senior year. So far, we are on the right track. We clinched Billerica's 5th Championship in 7 years with a 14-1-1 record; losing only to Andover (1-2) and deadlocking Chelmsford (0-0). Many records were broken & set this year, both offensively and defensively. As a team, we set a new goaling scoring mark with 52 in 16 games while allowing only 4. The "No Entry Sentry" posted 13 shutouts in '80 to give them a 2 year total of 25 in the M.V.C.

We started off slow during the preseason due to injuries & breaking in of new player. Although we exploded for 6 goals (2 in 7 seconds) vs Lowell in the opener we played poorly in our next 4 games. We posted a 2-1-1 record with senior defender Johnny Ellis scoring 3 of 5 goals. Eliis, nicknamed "Sir Stanley Matthews" for his scoring touch, was playing tremendous 2 way soccer. The defense began to settle down as junior fullback Kevin Martin gained experience. The 1980 edition of "The Sentry" was awesome with co-captain Gary Schermerhorn in goal, co-captain Timmy McCaffrey at sweeper, big Freddie Glavine at stopper to go with Ellis & Martin at wing fullbacks. Senior midfielders Steve Angelucci & Johnny Sampson provided the bulk of the work as we waited junior Chris Pike's return and the development of freshman Greg Hamilton. New addition Englishman Joe Lines from Liverpool provided the big surprise of the year. We went on a 12 game win streak to become progressively better each game. The offense came alive behind the scoring of seniors Jimmy Elwood, Darren Cowan and Johnny Ellis, Bobby Angelucci and Mark Fredrickson were consistent throughout the season. Backup midfielders (The "B" Boys) Gerooge Busnach & Mark Buck did a fine job of providing the team with much needed depth. Jimmy "chubba" Elwood finished the season in a 3 way tie for the MVC Scoring Championship with 10 goals & assists. He is also closing in on Billerica's All Time Career Scoring leaders (Bob DiMatteo '79 -47 points, Jimmy Murphy '80 -45 points). "Chubba" has 39 points (26 goals & 13 assists) with the playoffs still ahead.

Many of the players were cited for their outstanding play during the 1980 campaign:

Gary Schermerhorn- (goalkeeper) MVC 1st team (2nd year), Lowell Sun All Star (2nd year), Eastern Mass. Div. I All Star Team (2nd year) & League MVP, Boston Globe All Scholastic Team, Div. I North palyer of the year, All State Team, All New England Team, All American Team.
Tim McCaffrey- (back) MVC 1st Team, Lowell Sun All Star, Eastern Mass. Div. I All Star Team, Boston Globe All Scholastic Team, All State Team, All New England Team.
Jimmy Elwood- (striker) MVC 1st Team, Lowell Sun All Star Team, Eastern Mass. Div. I All Star.
John Ellis- (back) MVC 1st Team, Lowell Sun All Star.
Steve Angelucci- (midfielder) MVC 2nd Team.
Fred Glavine- (back) MVC 2nd Team.
Joe Lines- (midfielder) MVC 2nd Team.
Darren Cowan- (striker) MVC 2nd Team.

As we now await the start of our "2nd Season", the Div. I Sectional Soccer Tournament, we find that we have been seeded #1. We control our own destiny! We can achieve that goal we set as freshmen. Our theme-"Another one Bites the Dust" will continue to carry us in the battles ahead. Watch out for the "Awesome Offense" and the "No Entry Sentry". Billerica Soccer-All the way in '80.

Boys Varsity Cross Country Team

Co-Captain Dave Dunham led the Boys Varsity Cross Country Team in its rebuilding year to a six wins-two loss record during the year. Co-Captain John Dangora being injured most of the season managed to score and run extremely well in the bigger events.

Also competing on the Varsity Team was sophomore Mike Bushnach, Troy Opland, juniors Bernie Brown, Jim Sullivan, senior Glenn Rich and freshman Kevin Healy.

The highlights of the season was that the team placed eighth in the Catholic Memorial Invitational out of 28 teams coming in fourth in the Northern Area District Championship with 38 teams competing and eighth in the Division I Class Championship out of 25 teams.

Girls Cross Country Team

The Girls Varsity Cross Country Team in its third year of competition has enjoyed another successful season winning six meets while losing none; and in doing so won the Merrimack Valley League Championship

Billerica, the West Division Champions, met Haverhill, the East Champions, and soundly defeated Haverhill by a score of 22 to 36 to arrain the title.

The team led by Kathy Norton and Deana Opland also placed third in the Massachusetts Division I Class Championship. The team competing in the All-State meet for the second year in a row came in seventh place out of 20 teams competing.

Having only one senior on the team, Co-Captain Robin Weisbach, sharing the honors with junior Co-Captain Michelle Clark will have a very competitive team in the years to come with juniors Lynn Ennis, Carol Mason, freshmen Dawn Harnett, Lynda Coye and also Margaret Norton.

Field Hockey

Our field hockey season was a big success this year in spite of the fact that we had only two returning starters from last year's team. We were very proud of our 7 wins 2 losses and 4 ties (18 pts.) record, finishing in second place in the Merrimack Valley-West. The girls missed out on a tournament birth by 2/10 of a point for the 70% of the total possible points needed (had 18 needed 18.2) Team high scorer was Elena Glavin with 9 goals and 7 assists, second place scorers were Joanne Scholl and Linda Mitchell both with 5 goals and 2 assists. We also had many superb defensive games from Debbie Plummer, Caroline Busnach and our up and coming goalie Marie Cole.

Thanksgiving Day Game

After compiling a 14-1 record to win the MVC West Championship, Billerica found itself the #1 seeded team in the Division I North Soccer Tournament. For most of the season Billerica was in the top 10 (Division I) Soccer roll run by the Boston Globe. Billerica finished in the #4 spot, higher than any other team North of Boston.

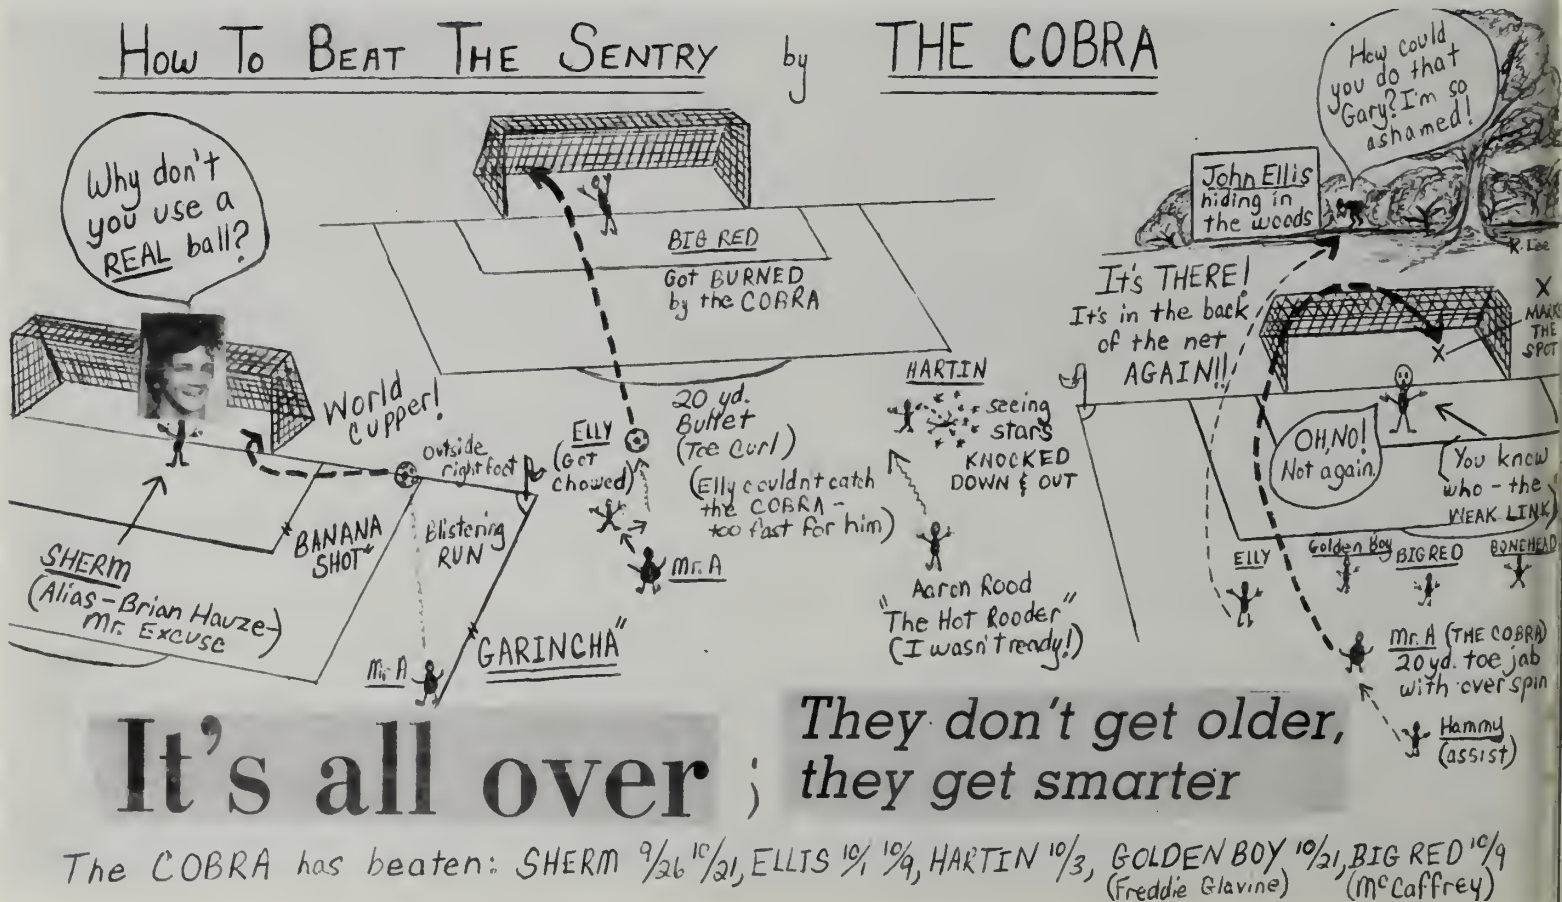

As the #1 seed, we received a "bye" in the 1st round. This sent us straight to the Quarterfinals at B.U. vs. Waltham. In a surprise move, Waltham used a packed defense against us. But it was Timmy "Big Red" McCaffrey who came through for us with a head shot goal in the 3rd quarter for a 1-0 win. Winchester, a big, tough, high-scoring team was next. This was our big test. In a contest that matched their high-powered offense vs. our stingy No Entry Sentry, The Sentry prevailed. Another shutout backed up by a 1st quarter goal by Jim Elwood was all that was needed to send Billerica into the Div. I North Final vs. Lexington. We didn't have to do much to "get up" for this one; revenge from last year was on our minds. Mark Buck scored early but Lexington came right back to tie it up. Darren Cowan got the gamewinner just 1 minute into the 2nd half. Jimmy Elwood got the insurance goal late in the 4th quarter. We were the Div. I North Soccer Champions but we paid dearly for it. Freddie Glavine twisted his ankle and would be out for the rest of the season. Midfielder Steven Angelucci would have to take the silver.

Billerica now advanced to the State Semifinals vs. Springfield Cathedral which was played on the astroturf at Westfield State College, a short hop (2½ hrs.) down the Mass Pike. The conditions were terrible. It was cold and the wet field began to turn to ice during the warm-ups. Both teams appeared to be skating

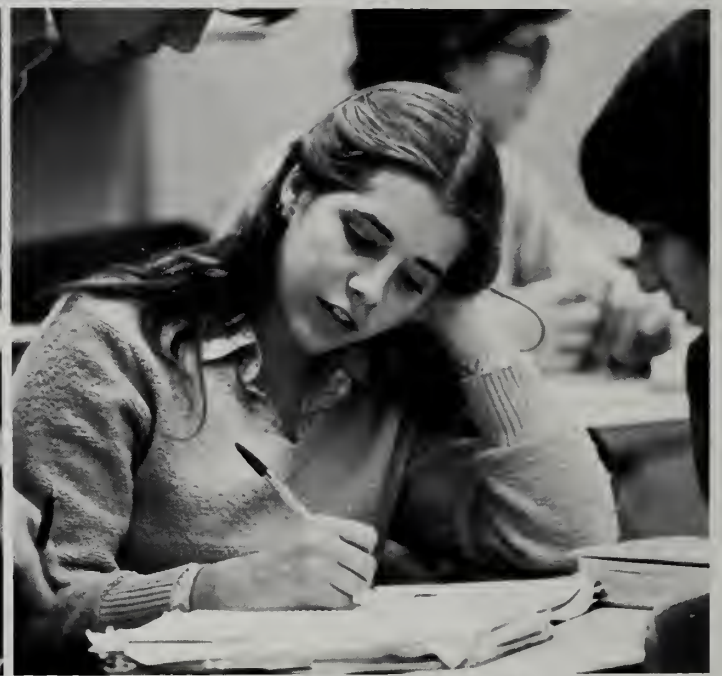

rather than running. Jimmy Elwood jumped right on them in the 1st minute of the game as his pass was deflected into the goal by a Springfield defender. But it was here we met our match as Springfield took it to us and eventually tied the game 1-1. As the game wore down to a close, Springfield made a fatal mistake. They moved up one of their defenders in an attempt to win the game before it went into overtime. The plan backfired as Timmy McCaffrey sent Jimmy Elwood in on a break-way with 10 seconds left in the game. "Chubba" scored with "8" seconds left. We went nuts! Happy, hurt and exhausted we were now heading "home" for a State Final match vs. Wellesley at B.U.

In the finals, we came out strong. We almost scored in the 1st quarter, then again in the second and third. Our best opportunity went by the boards when "Chubba's" head shot in the last 5 minutes of the 4th quarter hit the post & bounced away. Although Wellesley was a much bigger team, we were tougher and outplayed them in regulation. It was in the overtime that we began to run out of gas. Eventually, in the 5th overtime, Wellesley got the winner on a ball that Gary Schermerhorn had saved with an amazing diving header. As Gary cleared the ball, it hit a Wellesley player and rebounded into the net. We all felt that if we did not have to play with the "no hands for the goalkeeper" rule, Wellesley would never have scored. We all feel that the best team did not win that day.

Yet, we are all proud of our accomplishments. We have taken the team farther than any other Billerica team had ever been before. We took them to the limit. It was a very good year and a great 4 years. We will never forget what it means to be a part of "Billerica Soccer". Best of Luck to all future soccer teams at B.M.H.S.

Girls Basketball

The 1980-81 Girls Basketball Team got off to a slow start but has been improving steadily. Co-Captains Debbie Kilroy and Karen McNulty have done yeoman work along with seniors Cindy Quinton, Kathy Elden, Debbie Plummer and Kathy Kenyon. New additions to the Varsity squad this year are juniors Margie Lang, Sandy Kirkness and Eileen Sullivan sophomores Heidi Kennedy and Chris Sullivan round out an enthusiastic and hard working Indian squad. With some experience this year along with a strong J.V. Team, Billerica figures to be in the thick of the MVC race next year. Congratulations to the 80-81 team for a fine effort! A special thanks goes to Senior Managers Kelly Sances and Patty Higgins.

Boys' Basketball

As this is being written, the Billerica boys' basketball team is charging towards a chance for a state tourney berth and a second place standing in the Merrimack Valley Conference. The magic number is three and everyone is working hard to make sure the season will be successful.

Tri-captains Tim McCaffery, Bob Gambale and Jim Powell are leading the charge with help from senior guard Jim O'Connor and Sophomore Dave Perrow. Rounding out the varsity squad are seniors Dave Torpey, Peter Graves and Glenn Rich along with juniors Tim Holey, Dave Voil, Chris Connell and sophomore Derek Dixon.

All in all, the team has had some good games including the win against first place Chelmsford. Continued hustle should make for the winning season they deserve.

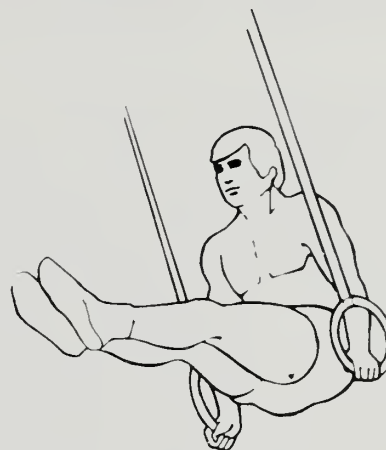

Boys Gymnastics

This year, the Gymnastics team was a very young team. We considered it a building year, for we had only one senior. Many boys were working on equipment upon which they had no previous experience. This will make next year an excellent one and probably a chance for a league title.

Dave Crawford was the only senior and did an outstanding job on floor exercise. Next year's team will be led by sophomores and juniors; Tom Melendy, Sean Fitzpatrick, Dave Brochu, Alan Gifford, all around man John Flaherty, and captain George Busnach.

George was also the outstanding gymnast of the year with his hard work and outstanding scores on floor exercise, side horse, and parallel bars.

The future of the team falls upon a very talented group of freshmen, who did a great deal for the team. They are; Rick Semonian, Jim Walsh, Phil Guecia, and Dave Lunt.

Girls' Gymnastics 1981

Girls' 1981 Gymnastic Season got off to a good start and have been working very hard to keep the winning streak going.

The team, headed by Captains Cheryl Livsey and Karen Dillon, is made up of 14 competitors—7 of which are new to the team.

Girls' Gymnastics is comprised of 4 events and represented by 6 gymnasts—2 of which are all-around competitors.

Leading the team in points this year is all-around competitor—Captain Cheryl Livsey, followed closely by second all-around Debbie Livsey. Both score approximately 25 points per meet.

Leading in event scores for Billerica have been . . .

First event—*Uneven Parallel Bars* lead by Captain Cheryl Livsey, Debbie Livsey, Captain Karen Dillon and Joanne Errico.

Second event—*Balance Beam* lead by Karen Lee, Captain Cheryl Livsey, Captain Karen Dillon, Debbie Livsey and Justine Burke.

Third Event—*Vault* (Billerica's most outstanding event as we have won this event in every meet) lead by Captain Cheryl Livsey with an outstanding score of 8.1.

Followed closely by Justine Burke, Debbie Livsey and Tracy Smith.

Fourth event—*Floor Exercise* lead by Captain Cheryl Livsey, Debbie Livsey, Justine Burke, Captain Karen Dillon and Lisa Pritchard.

Two other members of major importance for taking care of all behind the scenes work are Team managers Janice Burkhardt and Brenda O'Toole.

Wrestling

The 1980-1981 wrestling team again enjoyed another outstanding season. With only six seniors on this year's squad and an outstanding group of underclassmen returning, the future remains bright for Billerica wrestling.

Varsity Hockey

The varsity hockey team showed that they are back on the road to success by their display of hard skating and fine checking this year. Coach Roger Richard welcomed many underclassmen on to his team this year and many of them responded with excellent seasons which complimented our senior skates.

Under the very capable leadership of Senior co-captains Barry Nestor and Danny Eaton, the Indians won their first six games before being tied by Chelmsford in the last three seconds and losing a heartache to Austin with no time left on a disputed goal.

Despite those two tough games the Indians refused to quit and now find themselves on the brink of making the State Tournament again needing only 4 points out of a possible 10. Billerica is also challenging for league championship being only two points behind Wilmington. If the Indians could win their last five games it would be assured of at least a tie for the league championship. The Indians are currently 10-1-3.

Other seniors that have contributed greatly to the team's success are left wing John Miner and right winger John Sampson.

Boys' Indoor Track 1980-1981

This year the boys' team has been led by senior tri-captains Ron Caterino, John Dangora, and Bob Follett. All three of these athletes are returning veterans of the 1980 undefeated M.V.C. Championship team. 1981 marked the first year of the expanded M.V.C. which has resulted in two league divisions and the addition of Class B State Champ Haverhill H. S. added to our schedule as well as Lowell H. S. The team's current record is 3 wins and 3 losses, yet has performed as champions in multi-school meets placing second in the Methuen Invitational by a mere one point. The boys are gearing up for a run at the Class A and League Meet championships.

Senior sprinter Bob Armao is the only other member of the class of '81, while All-Scholastic Dave Dunham leads the underclassmen. The team was coached this year by Mike Granfield and assisted by Joe Bradford and Norman Desrochers.

Girls' Indoor Track 1980-1981

The 1980-1981 girls' team consisted of four returning seniors and after numerous ballots all four were elected captains. Caroline Busnach, Donna Daloia, Vickie Draper, and Robin Weissbach have been four year veterans of the indoor track program. These athletes have been members of nationally ranked relay teams, State Champions as sophomores, league champions as juniors, and presently hope to top off their careers at B.M.H.S. with both Class A and League Championships in the upcoming month.

First year runner Maureen Melanson of the class of '81 and a host of talented underclassmen make up the remainder of the Indians 1981 Track Team. The team was coached this year by Mike Granfield and assisted by Joe Bradford and Norman Desrochers.

Boys' Swim Team

The 1980-1981 edition of the Indians was the most successful in its history. They recorded their first winning season with a 7-4 record. Phil Ferreira led the team with an outstanding season, lowering the 50 and 100 freestyle school records a total of six times during the year as well as being a member of the record setting 400 freestyle relay team with Michael Hubert, Jerry Roche and Al Newton. In addition, to being on the freestyle relay team, Michael Hubert also lowered the record for the 100 yard back stroke, and was a consistent winner in the 100 yard butterfly and 200 yard individual medley events. Senior Joe Koskey was a steady contributor, teaming with Ferreira, Hubert and Roche on the lead 200 medley relay team as well as scoring well in the 50 yard freestyle and 100 yard backstroke. Al Newton was the top performer in the distance freestyle events, with back-up support being supplied by Doug Grattan in both the 200 and 500, Todd Souza in the 200 and Kevin Davis in the 500 yard freestyle. Marty Boormeester and Jim Bernard led the divers with freshman Greg Hanlon and John McCormack coming along with increasingly higher scores during the season.

The underclassmen were a significant factor with Chris Donovan swimming the freestyle sprint events, Kevin Davis the backstroke, Rob Chobbok in the 200 in and breast stroke, John Grella in the butterfly and breast stroke, Joe McCormack in the breast stroke, Kevin Grace in the 200 in and breast stroke, and Dave MacNeill and Scott Rivinius in the freestyle events.

The future is bright for the young Indian Swim Team since they are losing only four seniors, while seventeen lettermen will be returning. The performances of Koskey in the backstroke and freestyle: Co-captain Steve Swidrak in freestyle, Co-captain George Montague in the 200 in and butterfly and Joe DeMarco in backstroke, all seniors, will be sorely missed. However, with excellent performers returning led by tri-captains Phil Ferreira, Jerry Roche and Al Newton and complemented by proven swimmers such as Michael Hubert, the 1981-1982 team should continue to improve upon the record of each prior season and establish a winning tradition for Billerica Boys' Swimming.

TO CLASS OF 1981:

I want to congratulate you upon your graduation from Billerica Memorial High School. You have successfully completed an important part of your life and go forth to meet new challenges and to receive new rewards.

Since this is also my last year in Billerica I feel a special kindred to the Class of 1981. Some of the anxiety of facing new future permeates old bones as well as new. My stay has been filled with a thousand pleasant memories. The Class of 1981 has been one of them. For this, I thank you.

Sincerely,

Dear Members of Class of 1981:

Congratulations on having completed the requirements to receive your high school diploma.

Today's future for our younger generation would seem very uncertain with the war in the Persian Gulf, the pressures of local, state, and federal governments to reduce taxes, and the uncertainty of being able to afford one's own home.

My confidence in the future rides with you people who will be responsible for making many of the important decisions that will guide us through these difficult times. I know the education you received at Billerica Memorial High School will assist you in evaluating and determining which will be the better direction for you to take on the many roads that lie ahead.

Sincerely,

To The Class of 1981:

We the staff of the 1981 edition of the *Billerica Memorial High School School Yearbook* would like to thank everyone whose contributions of time and energy have aided in making this book possible. Included among these people are the photographers, typists, artists, layout planners, ad solicitors, and in particular, those businesses which placed advertisements in the yearbook. We would also especially like to thank Mr. Flynn and Mr. Richardson, our faculty advisors, for their instruction and cooperation in the production of the yearbook.

We are proud of the design and outcome of this yearbook, into which a great deal of work has been placed, and it is our hope that you will take as much pride in it as we do. Although we have spent several hours in proof reading and correcting errors, we are aware that there are probably a few which we have missed. Most of these errors were beyond our control and we hope that they will not seriously affect your enjoyment of the book.

Thank you,

The 1981 Yearbook Staff
